 EZI-Check™ Basic

Proudly designed and manufactured in Australia

The EZI-Check™ BASIC Gravity Roller scale is a freestanding, manual roller weighing system that can be incorporated into new or existing production lines.

As the entry level product in A&D's Checkweighing range, the EZI-Check™ BASIC accurately checks cartons for missing or broken parts, providing peace of mind for you and your customers.

Can you afford not to invest in an EZI-Check™ BASIC carton checking system?

*“If you can **MEASURE** it,
You can **CONTROL** it”*

FS-i, water & dust proof
