Proudly designed and manufactured in Australia

The EZI-Check™ BASIC Gravity Roller scale is a freestanding, manual roller weighing system that can be incorporated into new or existing production lines.

As the entry level product in A&D's Checkweighing range, the EZI-Check™ BASIC accurately checks cartons for missing or broken parts, providing peace of mind for you and your customers.

Can you afford not to invest in an EZI-Check™ BASIC carton checking system?

"If you can MEASURE it,
You can CONTROL it"

FS-i, water & dust proof

- Fast stabilisation - under 1 second!
- Suits manual roller lines
- Stores up to 100 product IDs and targets
- Fully automatic versions available (See AUTO)
