

# iSPOS

Robust | Power | Precision

SEÑOR

# The iSPOS is a mix of Contemporary Design and Great Functionality

## PCT

Stay ahead of the competition with Senor's fanless and ventless all-in-one touch system, the iSPOS. Enclosed in a heat dissipating solid aluminium die-cast casing, the iSPOS offers innovation and precision at its finest.

The iSPOS has undergone stringent industrial testing to Ingress Protection standards and awarded a rating of IP66, certifying high protection against liquid and dust particles to provide for durability and sustainability that is unparalleled by others.

## Resistive

Built with the user in mind, the iSPOS offers an ergonomic design that is contrived to the natural movement of the human body ensuring compatibility and optimizing comfort level for the user.

The iSPOS provides for enhanced safety features such as concealed mounting hardware and internal cable management, alongside an elegant design giving your point of sale hardware a professional and state of the art finish.

Available in 15" or 17" monitor screen size.

## DUAL iSPOS: Dual Results

The Dual iSPOS offers a second display to the iSPOS providing an engaging platform for capturing the attention of the customer with advertising, promotion, and motion video at the point of purchase.

The Dual iSPOS is not only versatile, but it also provides for optimal eye catching exposure to your customers.

### Dual Screens, Dual Functionality, Dual Benefits

## iSPOS WP: Maximum Impact, Minimal Clutters

Space is no longer an issue with the ultimate all-in-one POS solution, the iSPOS WP. Stylish in construction and packed full of features, the iSPOS WP brings to you all the functions of the iSPOS and add to it an inbuilt thermal printer concealed within a sleek enclosure.

The iSPOS WP offers a polished design with minimal clutters.

**A complete solution made uncomplicated.**

Providing **Superior** User Safety and Peace of Mind.

Various mounting options for versatility and convenience

Quality. Safety. Versatility
